

CODE OF CONDUCT FOR ST. GREGORY SCHOOL

Rationale

The Ministry of Education in the Provincial Code of Conduct for Ontario Schools requires that each school develop a code of conduct that promotes responsibility, respect, civility, and academic excellence in a safe, inclusive and accepting learning and teaching environment.

These standards of behaviour apply to students whether they are on school property, on school buses, at school related events or activities or in other circumstances that can have an impact on the school climate. They also apply to all individuals involved in our Catholic schools: principals, teachers, other school staff, parents, volunteers and community groups.

Principal Roles and Responsibilities

Under the direction of the Nipissing-Parry Sound Catholic District School Board, principals take a leadership role in the daily operation of a school. They provide this leadership by:

- Demonstrating care for the school community and a commitment to academic excellence in a safe, inclusive, and accepting teaching and learning environment;
- Holding everyone under their authority accountable for his or her behaviour and actions
- Empowering students to be positive leaders in their school and community

- Communicating regularly and meaningfully with all members of their school community

Teachers and Other School Staff Roles and Responsibilities

Under the leadership of their principals, teachers and other school staff maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and other school staff uphold these high standards when they:

- Help students work to their full potential and develop their sense of self-worth
- Empower students to be positive leaders in their classroom, school, and community
- Communicate regularly and meaningfully with parents
- Maintain consistent standards of behaviour for all students
- Demonstrate respect for all students, staff, parents, volunteers, and other members of the school community
- Prepare students for the full responsibilities of citizenship

Student Responsibilities

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- Comes to school prepared, on time, and ready to learn
- Shows respect for himself or herself, for others, and for those in authority
- Refrains from bringing anything to school that may compromise the safety of others
- Follows the established rules and takes responsibility for his or her own actions

Parent Responsibilities

Parents play an important role in the education of their children, and can support the efforts of school staff in maintaining a safe, inclusive, accepting, and respectful learning environment for all students. Parents fulfill their role when they:

- Show an active interest in their child's school work and progress
- Communicate regularly with the school
- Help their child be neat, appropriately dressed, and prepared for school
- Ensure that their child attends school regularly and on time
- Promptly report to the school their child's absence or late arrival
- Show that they are familiar with the provincial Code of Conduct, the board's code of conduct, and school rules
- Encourage and assist their child in following the rules of behaviour
- Assist school staff in dealing with disciplinary issues involving their child

Electronic Devices and Social Media

Use of electronic devices and social media will adhere to the expectations of this code of conduct:

- The use of cell phones and electronic devices will not, in any way, interfere with teaching conducted by the staff, and/or the learning of any student(s) during the school instructional day.
- The use of cell phones or other devices, for any purpose including telephone calls, text messaging, games, taking pictures and other functions, is not permitted at any time.
- Cell phones or other devices need to be stored with the classroom teacher upon entering the classroom. Students will have cellphones returned to them at the end of the day.
- The use of cell phones or other devices is not allowed, especially in private areas such as, washrooms, dressing room areas, buses or classrooms. Camera phone violations may be considered a criminal offence.
- Any phone communication during the instructional day will take place only through the use of school telephones, and, only with permission from administration, staff, or, office staff (with the exception of emergency situations as deemed by the principal). Parents should continue to contact their child/children through the normal school channels for any emergency situation.
- Possession of a cell phone and/or other electronic devices by a student is a privilege which may be denied to any student not abiding by the terms of this code. Students shall be personally and solely responsible for the security of their cell phones and/or other electronic devices.

Internet Usage

Students will use the school Internet only under the supervision of a teacher. The use of the school Internet is for educational purposes only. Students are required to use the Computer Lab and the Internet in a responsible manner at all times. Students are not to download or save any files from the Internet without the prior permission of a teacher. Students are not to upload or post materials onto the Internet without the prior permission of the teacher.

Students in contravention of this policy may lose their Internet privileges.

Search and Seizure

Desks and lockers are school property and as such there is no expectation of privacy on the part of students; therefore, a search of such property is permissible by the school administrator. In this case, the principal or vice-principal is acting under the authority of the Education Act to maintain proper order and discipline in the school, and not as an agent of the police.

The following may constitute reasonable grounds for search and/or seizure:

- Information received from one student considered to be credible
- Information received from more than one student
- Teacher's or principal's own observations
- Any combination of these pieces of information which the school authority considers to be credible

Dress Code

Students and staff are expected to dress in a tidy and modest manner. Clothing offensive to race or Christian teachings is not permitted. Clothing should not be a distraction to others. Clothing that promotes alcohol, drugs, vulgar language, tobacco products or violence is inappropriate in the school. If the school dress code is not adhered to, students will be asked to change clothing and parents will be notified.

Attendance/Truancy

Regular attendance and punctuality on the part of the student is vital to learning and for academic success. In case of absence, a student's parent or guardian is expected to call the school at (705) 724-3482 to inform the office. If the office has not been notified, when returning from an absence, a note or telephone call authorizing the absence must be received. A note may explain an absence but will not necessarily excuse or approve an absence.

Any unauthorized absence will be addressed as per the safe arrival policy. Please note that repeated concerns about punctuality or absence will be addressed by the school administration.

Bus Conduct

Bus drivers have a serious responsibility for the safety and conduct of all passengers on the bus. Students may have their bus transportation privilege revoked if they engage in unacceptable behaviour on the bus.

Any child who arrives to school by bus shall be returned home by the same bus.

Students MUST board the bus to which they are assigned. ***Boarding a different bus to visit a friend cannot be accommodated within the Board's busing policy.***

Intervention and Supports

Infractions of the Code of Conduct will be investigated and addressed through the teacher and/or principal/vice-principal. In addressing infractions, the following mitigating factors will be kept in mind such as age, circumstances, history, IEP, a progressive discipline approach which could include the following:
